datehappy

### How to play? On your next date...

1. Start by handing this card to the person you're with.  
Ask the person to choose two questions which you will answer.
2. Then, take the card back and you choose two questions to ask your date.
3. No more than two questions each - per date.

See reverse side for how to play!

- 
1. What two activities really energize you?
  2. What's an accomplishment you're most proud of?
  3. What book or movie had a great impact on your life?
  4. What two traits in your future spouse are most important to you?
  5. What part of yourself would you like to improve?
  6. What do you like to talk about (with people close to you)?
  7. Who is your most inspiring role model? What about them inspires you?
  8. What would you like me to know about you... that I may not have seen yet?
  9. What do you often wonder about?
  10. What character traits in others really bugs you?
