NEVER GIVE UP

MOTIVATING QUOTES TO KEEP IN MIND EVERY DAY.

By SARA DEBBIE GUTFREUND

"According to the effort is the reward"
Achievement is measured by how much we try, not by the results we can see.

(ETHICS OF THE FATHERS, 5:22)

"It's not about how bad you want it; it's about how hard you're willing to work for it."

Dreams are not plans and desires are not steps. If you want it, you need to plan it.

ANONYMOUS

"Most people never run far enough on their first wind to find out they've got a second."

Many give up during the first wave of discomfort. The body can take almost anything; it's the mind we need to convince. We need to go further than we think we can to discover what we are really capable of.

WILLIAM JAMES

"Successful people never worry about what others are doing."

We often give up because it seems like others around us are more talented, intelligent or faster than we are. But every expert was once a beginner. Focus only on your own growth.

ANONYMOUS

"Never give up on a dream because of the time it will take to accomplish it; the time will pass anyway."

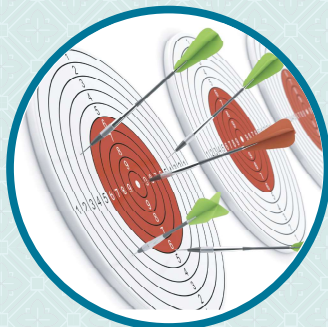

Many worthwhile goals take years to accomplish.

EARL NIGHTINGALE

"The biggest mistake you could ever make is being too afraid to make one."

Learn to see mistakes as opportunities to learn. Failure is the path to success. If you're afraid of making mistakes, you'll never try something new.

ANONYMOUS

"Your life doesn't get better by chance, it gets better by change."

Don't wait for other people to improve things for you. If you want something you've never had, you will need to do something you've never done.

JIM ROHN

"As long as the candle is still burning, it is still possible to work and to repair."

While there is still life, there is still hope. And when you have hope, you have everything.
